

# Islamic Banking & Finance Seminar

## “Banking without Interest”

Organized by the  
*Association of Development Financing Institutions in Asia and the Pacific (ADFIAP)*  
*Asia-Pacific Institute of Development Finance (IDF)*

In collaboration with the  
*MNY Consulting Sdn Bhd Malaysia* and the *Gov. Jose B. Fernandez, Jr. Center for Banking and Finance of the Asian Institute of Management*

**October 26, 2009 \* Boardroom 2, Dusit Thani Hotel, Makati City \* 8.30am-5.00pm**

### Rationale

Various research studies have established that the Islamic Finance has rapidly expanded beyond the Muslim countries, and is now in mainstream finance. From US\$900 Billion in 2008, the total Islamic financial assets are projected to reach US\$2 Trillion in 2010. Worldwide, the number of financial institutions has increased to more than 300 in 75 countries. Islamic finance is the fastest growing financial sector which growth is expected to continue considering its relative resiliency amidst the current global financial crisis.

Opportunities in Islamic Banking and Finance remain untapped. The world's top 100 largest Islamic banks register an annual asset growth rate of 27% as the global Islamic finance industry averages an annual growth of 15 to 20%.
