

Green Banking Trainings - Start of Application Period Today!

Dear Sir or Madame,

we are pleased to announce, that the application period for the Green Banking trainings 2018 starts today.

From 19 February until 31 March you will have the chance to apply for a scholarship for one of the Green Banking trainings offered in 2018!

Depending on your individual interest and available time, you can choose among one of the following trainings from our Green Banking scholarship programme:

- **GB Green Finance Specialist Programme (GFS):** the newly accredited GFS delivers in-depth knowledge on Green Finance topics through a combination of an OT of 20 weeks and a 3-day F2F Seminar in the partner country. The GFS has just recently been accredited by the [Finance Accreditation Agency \(FAA\)](#), which demonstrates an international quality standard of this capacity building programme. This is the last time the GFS Programme will be offered on scholarship basis. Starting from 2019, the programme will continue on student-fee basis.
- **GB Train-the-Trainer Seminar (TtT):** suited for professionals with experience in Green Energy and Climate Finance, that wish to enhance their technical, financial and didactical skills in order to become a trainer in this field. Trainers will be able to contribute to the "Green Finance Specialist" seminars in their country or region.
- **GB Delegation Tour (DT)** to Germany offers participants from all partner countries the opportunity to initiate new business contacts via B2B meetings, to exchange experiences with German financing experts and to visit best practice Renewable Energy and Energy Efficiency projects. The five-day Delegation Tour is directed to representatives from the management of the financial institutions' business development units.
